Ninth Hour Photography is made up of two photographers. Michael is the primary photographer and Amy is the assistant. Both shoot photos and both are experienced.

5. How many other events will you also photograph that weekend?

We only commit to one wedding per weekend so that we can give you are undivided attention.

6. What kind of equipment will you bring with you?

We shoot digital with Nikon camera and assorted lenses. We always travel with a backup camera for different styles of pictures and for the assurance of the photographer and the client.

We always travel with a backup camera for different styles of pictures and for the assurance of the photographer and the client.

9. Can other people take photos while you are taking photos?

The quality of your images is the most important to us. We are happy for others to take photos although if we feel that it is interfering with the quality of your photos, we will ask them to pause momentarily.

10. Should our event last longer than scheduled, will you stay? Will there be an extra charge?

Each package states the number of hours included. The A la carte section has an option for extra hours with an hourly charge.

11. What attire will the photographer wear?

The photographer will be dressed professionally in dark clothing as to blend in during the ceremony and reception.

12. How long after the event will the proofs be ready?

Your online image gallery will be available two weeks after your wedding. Please allow 4 weeks for your DVD of images and photo books to be delivered.

13. What type of album designs do you offer?

There is a description of each album offered in the A la carte section of our pricing page.

14. What type and how much assistance can we provide in planning your album?

You will have the opportunity to choose your album design and choose the photos to be put into your album. If you would rather us choose the photos for you, we are happy to do that.

15. How would you describe your working style?

We like to meet with you and communicate with you beforehand so that we can be as discrete as possible on the day of your wedding. We like to have a contact person to go to (mother, bridesmaid, family member) if extra communication is necessary.

16. What do you think distinguishes your work from that of other photographers?

Ninth Hour Photography was born out of a love for art, design, and creativity. We love to tell the story of wedding days and produce images, books, and memories that are authentically beautiful. We are not simply looking for one perfect shot, but a series of shots that captures the moments that might otherwise have been lost.

17. What information do I need to provide you before the wedding day?

We will meet with you to go over necessary information. Below is a link to the paperwork we will need before the wedding day.

18. If my wedding site is out of your area, do you charge a travel fee and what does that cover?

Anything within 60 miles of Midtown Atlanta is included in the price. Contact us with your location and we will come up with a reasonable travel budget.

19. Have you ever worked at my wedding site before? If not, do you plan to check it out in advance?

We always visit the wedding sites in advance so that we are comfortable with the layout. We like to plan ahead for the wedding photos.

Each package specifies a certain number of hours we will shoot. When we meet to discuss specifics, we will define a schedule.

26. How much of a deposit do you require and when is it due? Do you offer a payment plan?

50% of the total is due when you choose to book Ninth Hour Photography. This will secure the date and ensure that we will not book anything else on that weekend. The deposit is non-refundable. The remaining 50% is due seven days prior to the wedding.

27. What is your refund/cancellation policy?

If the client cancels, the deposit (50% of the total payment) is non-refundable. That amount may be used towards other photography services through Ninth Hour Photography (family portraits or wedding on another date if available).
